If you have an odd job that's not on the list, please contact us for further inquiries.

Work Order

Call or email the Inn Team Coordinator to receive a quote and additional information on how to schedule our services.

We provide competitive packages.

Our contribution.

The Inn Team will contribute towards achieving the goals of Canada's Homelessness Strategy.

The Inn Team, under the heading of Prevention and Shelter Diversion, will contribute to the goals of Reaching Home: Canada's Homelessness Directives.

The Inn Team will empower our clients on their journeys out of homelessness, and lessen the strain on community resources.

Changing our
community's
perception of
homelessness
**one job
at a time**

The problem we're trying to solve:

The lack of income prevents people experiencing homelessness from attaining and maintaining housing.

The Inn Team's purpose is **twofold**

1

To create an opportunity for:

Real Work Experience

Income

Community Engagement

The Solution

The **Inn Team** will address this gap by providing workers the opportunity to enhance and develop underutilized skills, receive wages for their services, and attain the all important employer reference.

To create common understanding between:

Those experiencing homelessness, and those who are housed in Newmarket.

Objectives

1. To provide employment opportunities for Inn Team members.
2. To partner with the community to enable the Inn Team to carry out a minimum of three jobs per week.

What we provide

Inn From The Cold will provide:

- Supervision - Team Lead
- Coordination & Scheduling
- Training (e.g WHMIS, First Aid & CPR, Naloxone)
- Equipment
- Uniforms
- Insurance

Everything needed to successfully carry out scheduled work orders.
